Blue Heron Company – Boat Booking Policy

The boat that you are booking will require a 50% deposit at the time of booking and the other 50% on the day of departure.

If we have to cancel for any reason you will receive a full refund. If you have to cancel you will need to give us at least one month's notice in order to receive a refund.

We reserve the right to cancel or alter the cruise route or duration at any time due to inclement weather and winds. We urge all parties to have a "back-up" plan for their event that does not involve the boat. If the boat cannot leave the dock due to weather we cannot host your function on the boat at the dock.

All parties wishing to sell or distribute alcoholic beverages on the boats during their parties will have to obtain a Special Occasion Permit (Liquor Licence) from their local LCBO retailer. We provide you with the deck plan of the vessel you are renting to attach to the application. You will also need to obtain a PAL certificate from your insurance provider. This certificate will also need to have The Blue Heron Company listed as additional named insured and should have no less than a \$2 Million limit. If you do not have an insurance company that can provide this for you, you may contact our insurance company, The TG Group, at 519-370-2006 and they will help you. Both of these certificates, the SOP and the PAL will have to be shown to Blue Heron prior to anyone being allowed to load any alcohol onto the vessel. Please ensure you have them with you before coming to set up.

Blue Heron Company – Accommodation Policy

There are no discounts offered on accommodations.

When planning to have a ceremony/reception on site at Wireless Bay Cottages – **all** cottages (including the Wireless Bay Apartment) must be booked by the wedding party/wedding guests.

With an onsite wedding – Wireless Bay is not in charge of any organizing, set up, or clean up. The guests/wedding party, etc. is to have all of this done on their part.

Deposits are required for accommodations at the Harbourside Motel and Wireless Bay Cottages. These are due no less than 2 months prior to the date of stay. One person is to pay the deposit for a cottage. They will not be split between multiple people staying in the same cottage/room.

Blue Heron Company – Shuttle Bus Policy

Blue Heron Company shuttles may be rented to transport guests to and from various locations.

There is a 50% deposit required no less than one week in advance.

The cost is \$50.00/hour if the shuttle is remaining north of Warner Bay Road in Tobermory and \$100.00/hour if the shuttle is travelling further south, past Warner Bay Road.
